Dear Homeowner:

Thank you for allowing us to assist you in the purchase of your new home.

We are often asked for recommendations for different tradesmen or contractors. This is a list that we have compiled, so you have a place to start. This is far from a complete list and we highly recommend that you call around and get several options and/or opinions. As I am based in Lake County, many of these tradesmen are based in that area as well.

We are in no way affiliated with the people on this list. Many, we have never even met. Some are people that we have known for many years and others are folks that have done work on properties that we have inspected and it was noted that they did quality work.

Once again, thank you very much for allowing us to help you with the purchase of your home. If you have any questions or observations, please free to contact me on my cell, 352.530.7361, call the office at 352.530.7343, or by emailing me bo@passeninspections.com.

Sincerely,

Robert "Bo" Passen
